

N.K. Black | Project Manager | The Hollo Podcast

Hollo Podcast KPI Dashboard — Jan–Jun 2024

Summary: The KPI Dashboard illustrates the Hollo Podcast’s relaunch performance from January through June 2024. Engagement grew by 27% (Feb–Mar) and 33% (May–Jun), supported by AI-enhanced workflows and predictive analytics. The dashboard reflects steady improvement across listener engagement, retention, and AI efficiency, confirming the success of data-driven management strategies in creative production environments.
